# I – Organization of the courses

Unless we inform you otherwise, the class starts every day at 9:00 AM and ends at 5:00 PM with the exception of Monday, when the class starts one hour later than usual, i.e. at 10:00 AM.

The participants are advised to bring their own laptops. Course materials and lab workbooks will be distributed to all participants at the beginning of the training. After you arrive to MHM computer a.s. you will be assigned an access card to training facility. We kindly ask you to return the access card at the reception desk every day when the training is over.

The training takes place in one of three modern air conditioned and fully equipped training rooms. The rooms are named after Czech famous inventors:

# A

## Room A (red)

dedicated to Jan Janský  
(1873 – 1921)

Czech doctor and  
psychiatrist famous for  
discovery of four basic  
blood types

## Room B (blue)

dedicated to Josef Ressel  
(1793 – 1857)

Czech ranger, writer and  
inventor who constructed  
a ship propeller

# B

# C

## Room C (green)

dedicated to Otto Wichterle  
(1913 – 1998)

Czech scientist and  
inventor well known for  
inventing contact lenses  
as we know them today

## II - At the training center

It is recommended to bring your own laptop for the training. During the training you will have access to the internet

via wi-fi or cable, and also to the copy machine is at the lobby of the training center.

Selection of hot and cold beverages is available during the training. You will be also given meal vouchers that are accepted in many restaurants in Prague.

In close proximity of MHM training center there are many good restaurants and MHM lecturers will be happy to accompany you for a lunch.

### Course materials

Starting from Q3 2012, all Student guides are available in pdf. files(\*), while Lab guides remain printed. We believe, that it will bring more comfort and flexibility for both students and instructors, and also saves a lot of paper.

(\*) Printed versions available on request prior your arrival at the training center.

# IV - Travelling to MHM

## Arrangements prior to your arrival

After you enroll on the course, you should check whether you need visa to enter the Czech Republic or not. Visa requirements vary considerably. For some countries (e.g. Russia, Turkey) there are usually no problems with obtaining the visa while for other countries the rules are more strict. Please, keep in your mind that in some cases it may take up to 40 days to gather all the required documents and to process the application. For more information please see our website [www.mhm.cz/en](http://www.mhm.cz/en) and download step-by-step visa application guide which will make you familiar with all the procedures. If you need visa, please inform us thusly so we can provide you with an invitation letter. You can also visit website of Czech Ministry of Foreign Affairs to get more information:

If you have any questions regarding the course you are about to attend, do not hesitate to contact us for more information.

## Travelling to MHM

MHM Training center is located approximately 34 km from Prague international airport Ruzyne. To travel to your hotel or to MHM computer, you can use various means of transportation:

Taxi: For transport from the airport you can take any taxi that is available in front of the arrivals hall. The price of the transportation should not exceed 25 euros when travelling to the city center and 35 euros if you travel directly to MHM. For transportation in Prague (i.e. from hotel to city center, from hotel to MHM etc.) we recommend to use good value taxi operators such as Profi Taxi or AAA Radiotaxi.

You can arrange the taxi transport by calling one of the proofed taxi services:

AAA RADIOTAXI +420 222 333 222  
PROFI TAXI +420 844 700 800

## Car:

If you decide to come by car or to rent a car at the airport, follow these directions:

Directions from Brno:

Take Spořilov exit from D1 highway – follow the southern part of Prague junction (Jižní spojka) – take Hostivař exit from the junction – Švehlova street – Průmyslová street (follow our direction plates on lighting masts), having passed under three bridges, turn left and then again left – go up to the last bridge you have undergone – to the left over the bridge (U továren street) and straight on. MHM offices are located some 100 metres forward on the left side of the road.

GPS coordinates for your navigation:

N 50°3'23.846"

E 14°32'22.318"

## Public transportation:

Prague has a very efficient and simple public transportation system. MHM computer a.s. is well accessible by bus. To get to MHM from the city center, please take any underground and go to Skalka station (green line) or to Haje (red line) whatever is more convenient for you.

From Skalka underground station you can take the bus 271 to Sklářská stop or you can take the bus 111 to U Továren stop, which is situated right in front of MHM computer building.

From Háje underground station you can take the bus 271 and go to Sklářská stop.

From Sklářská bus stop please head towards left, over the bridge and then straight approx. 100 meters, on the left side of the road you can see MHM building.

Please visit our web site at <http://www.mhm.cz/cs/training-location/> for detailed directions and the location map.

**Parking is available at MHM computer a.s. and is free of charge.**

## V. Accommodation in Prague

See selection of the hotels our partners use most often. If you require assistance with booking or if you need more information, do not hesitate to contact us.

### Sivek Hotel Selský dvůr \*\*\*\*

If you prefer quiet location with close proximity to the training center, this four star comfortable hotel is a good choice. This hotel is popular with our clients. We can arrange the accommodation in this hotel for you.

Directions from this hotel: The bus stop "Hostivařské náměstí" is located in front of the hotel. Take the bus 122 or 181 and go to Sklarska stop. Keep right and cross the adjoining street. Head towards the bridge and at the bridge turn left. Continue approx. 100 meters. MHM company is situated on the left side of the road.

The distance to MHM is about 4 km, which is about 10 minutes by bus. The disadvantage can be that the city center with all its sights is located 20-30 minutes by public transportation.

The price per person and night is about 50 EUR, including breakfast.

### Hotel 16 U sv. Kateřiny \*\*\*\*

If you prefer to stay closer to the city center rather than to MHM training center, this luxurious boutique hotel is a good option to choose. Very close to (walking distance) Prague landmarks, yet in very peaceful and calm area, so you won't be disturbed by crowds of tourists. The staff of this hotel is very helpful and provides you with all the information you may need.

Commuting to MHM can take up to 30 minutes by public transportation or 15-20 minutes by taxi, depending on the traffic. The hotel staff will help you with the orientation in the city.

To travel to MHM please take the tram 22 and go to the end station "Hostivařské nádraží". Then take the bus 271 or 183, and get off the bus on the next station "Sklářska". Keep right and cross the adjoining street. Head towards the bridge and at the bridge turn left. Continue approx. 100 meters. MHM company is situated on the left side of the road.

The rates are about 90 EUR per night and person, including breakfast.

## Hotel Paris \*\*\*\*\*

Luxurious and spacious hotel in the heart of Old Town is the best option for those who like to treat themselves with the best accommodation. All sights of Prague are within the walking distance.

The only disadvantage is the distance from MHM training center. The best way how to reach the training center is by taxi.

The rates are about 200 EUR per night and person.
